## DETAILS

Atlantis started at a small resort in Mexico when a few friends joined together for a week on a secluded beach. Over the past 30 years they've offered over 180 vacations to every corner of the globe, sailed the newest, largest, and most fabulous ships in the world, and brought hundreds of thousands of friends together. Our community extends into virtually every country in the world, and every walk of life. They're the place you return to for fresh experiences and familiar faces, the place where you'll feel at home, and the place where you can let loose and always be yourself, sometimes in ways you never imagined. That's the way we play and it's all about and designed for you. Our real superstars.
